

CURATE

by Sotheby's International Realty

An Immersive Augmented Reality Experience

Curate by Sotheby's International Realty allows consumers to visualize a house as their own before purchase, thereby curating the homebuying experience. Sotheby's International Realty® brand is the first real estate brand to launch and implement a virtual staging AR app, transforming the homebuying and selling experience for sales associates and consumers.

Now available for download on iTunes and in the Google Play Store.

ENDLESS POSSIBILITIES

Tucked behind gorgeous mature trees on a large lot, lies this charming original bungalow. A renovation in this home will benefit from the excellent condition - character hardwood floor throughout, large windows and moderately open layout. Charm can be found in every corner, from the phone cubby, built in china cabinet, the mail slot, to the milk door. The generous kitchen window overlooks a large two-tiered deck and patio landing, which complement the beautiful backyard and oversized single garage. With renovations; this is opportunity!
